SWINBURNE UNIVERSITY OF TECHNOLOGY

How do I join the community?

- Learners 18 years or older who have completed (scored at least 70%) in a badge-eligible course e.g. AWS Academy Foundations (ACF), AWS Academy Architecting (ACA) are sent an invite within 72 hours of earning their digital badge.
- You can complete this at any time whilst the AWS Academy Courses remain available
- It is recommended to complete the AWS Academy course shortly after you have finished your studies for the semester.
- The AWS Academy Course Assessment does NOT count to your Swinburne grade.
- We do not cover all of the AWS Academy Course in this subject

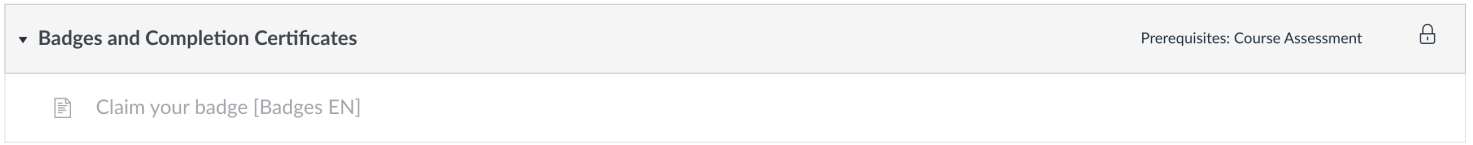
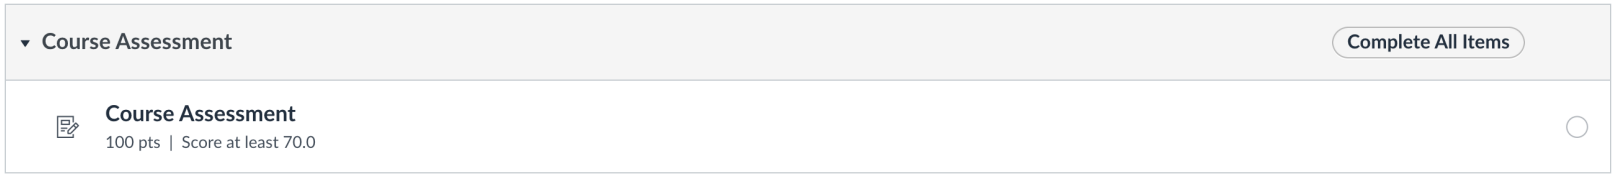
SWINBURNE UNIVERSITY OF TECHNOLOGY

How to Claim a Badge

- In AWS Academy under Modules, the details on how to Claim your Badge will be greyed out



- Until you complete the Course Assessment with a score of at least 70%



SWINBURNE UNIVERSITY OF TECHNOLOGY

Course Assessment

- The ACF Course Assessment contains 20 multiple choice questions.
- You need to get at least 70 percent (14 out of 20) correct

SWINBURNE UNIVERSITY OF TECHNOLOGY

Course Assessment Results

- Course Feedback will show your Score for each module and the possible points available

Scores by module

Each question is worth 10 points. The number of questions per module varies. Review the modules where you missed questions.

Module Title	Your Score	Possible Points
Cloud Concepts Overview	[redacted]	[redacted]
Cloud Economics and Billing		
AWS Global Infrastructure Overview		
AWS Cloud Security		
Networking and Content Delivery		
Compute		
Storage		
Databases		
Cloud Architecture		
Automatic Scaling and Monitoring		

SWINBURNE UNIVERSITY OF TECHNOLOGY

Retry course assessment

- You can retry the assessment

SWINBURNE UNIVERSITY OF TECHNOLOGY

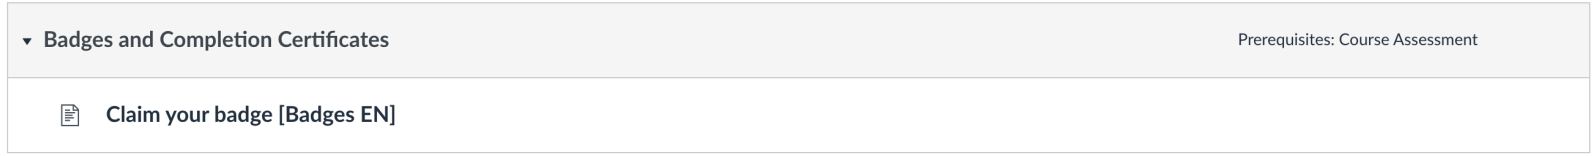
How can I prepare

- You are expected to have a strong level of familiarity with the AWS Academy Material
- Study the ACF/ACA Lecture material (this goes beyond our course) on AWS Academy Canvas
- Complete ACF/ACA practice quizzes
- Complete ACF/ACA labs to get hands on

SWINBURNE UNIVERSITY OF TECHNOLOGY

Claiming your Badge

- Once you have passed the course the Claim Your Badge section will no longer be greyed out under Modules in the course for AWS Academy Canvas



- You can click on this to learn more about joining the Emerging Talent Community

SWINBURNE UNIVERSITY OF TECHNOLOGY

Claiming your Badge

- After clicking on that link you should see something like the below

Claim your badge [Badges EN]

You've earned a badge from AWS Academy, an invitation to the AWS Emerging Talent Community, and access to a discounted AWS Certification Exam voucher!

Congratulations! You've earned an AWS Academy digital badge for completing this course. This credential is designed to help you showcase your expertise, strengthen your resume, and connect with potential employers. Additionally, as a graduate of an AWS Academy course, you will receive an exclusive invitation to join the **AWS Emerging Talent Community (ETC).** As a member, you will be able to connect, network, and learn from other AWS Education program graduates. You will have opportunities to boost your learning and development through technical and professional skill building content and labs.

- **You will receive an email from Amazon Web Services Training and Certification via Credly <admin@youracclaim.com> with a link to claim your digital badge within 24 hours. Click the link in the email and follow the instructions.**
- Then share your badge on your LinkedIn or other social media profile to let peers and potential employers know about your accomplishment.
- Once you accept your badge, you can also download a certificate of completion
- You will also receive an email invitation to join the AWS Emerging Talent Community.
- Joining the Emerging Talent Community grants you access to personalized content recommendations, AWS Certification preparation resources, opportunities to earn discounted AWS Certification exam vouchers, and more.
- If you have any questions about your badge, please contact Credly support.

AWS Academy is excited to welcome you into our growing global community of students, graduates, and lifelong learners of cloud computing.

SWINBURNE UNIVERSITY OF TECHNOLOGY

What can I expect once I've joined the community?

Once you are in the AWS Emerging Talent Community, you can customize your experience based on what suits your cloud learning needs, find resources to guide you to the next steps on your cloud journey, and connect with cloud learners from around the world. You can also complete challenges to earn points that can be redeemed for rewards like digital backgrounds and discounted AWS Certification Exam vouchers. It's all possible in the community, so what are you waiting for?

For any additional questions, please contact the Emerging Talent Community support team.

ETC Invitations and Accounts

1.. ETC invitations are valid for 90 days as described in an invitation email. You should sign up for ETC within that period to create your own account.

2. Currently, an ETC account will continue to remain active once it's created as long as you do not break the ETC Community Guidelines. However, this may change in the future, like introducing automatic deactivation for accounts not used for a certain period.

You don't often get email from aws-emergingtalent@email.influitive.com. Learn why this is important

aws TRAINING AND CERTIFICATION
AWS Emerging Talent Community

The AWS Emerging Talent Community is your central hub to continue advancing your cloud skills. When you join, you'll have the opportunity to:

Collaborate with peers who have similar interests and career goals.	Get personalized recommendations on AWS learning resources.	Access exclusive experiences and rewards.

Bottom line: The AWS Emerging Talent Community is the perfect way to continue your cloud career journey, and we're really excited to get to know you!

Invitations for the AWS Emerging Talent Community (ETC) are received after completion of an eligible AWS Training course. If you do not wish to join the ETC and would like to opt out of receiving future invitations for the ETC through Influitive at this email address, please click the "Unsubscribe" button below.

*For more information on eligibility for the ETC please see the **ETC FAQs**.*

Foundations Voucher

50% Discount AWS Certification Exam Voucher - Foundational Level

This reward is good for one 50% discounted AWS Certification exam with Pearson VUE, for Foundational level certification: AWS Cloud Practitioner. Once redeemed, your voucher request will be reviewed within 3 business days and sent to you via Xvoucher if fulfilled. Valid while supplies last.

Eligibility Requirements:

This reward will only be fulfilled if you meet the following eligibility requirements:

- Have completed an **AWS Skill Builder Cloud Practitioner Essentials course** for the certification you're after
- Have completed at least one **AWS Skill Builder certification practice test or official practice question set** with a score of 70% or higher for the certification you're after
- Be in good standing within the ETC

Redeeming this reward requires the AWS Emerging Talent Community team to verify your completion of the AWS Skill Builder requirements referenced above. Please make sure that your ETC email address matches your AWS Skill Builder email address prior to redeeming this reward.

The voucher will expire in **6 months** of receipt (you must complete your exam within 6 months of receipt). Estimated retail value: $50.

Important: Ensure you have access to your community email address as the voucher cannot be resent once issued. The expiration date cannot be extended, so be sure to pay close attention to the date and use the voucher in time.
